2 ABOUT GUARDIANCARD

2.1 A GuardianCard is a debit card that can be used worldwide to pay for goods and services at participating merchants that accept Mastercard. This means it can be used for holidays and trips as well as at home. It can be used for purchases on the internet or on the high street providing there are funds available on it. The GuardianCard can also be used to withdraw money from cash machines. It is a general card, intended for use by adults over the age of 18.

2.2 As a debit card, it can only be used to spend funds that have been loaded onto it. GuardianCard is not linked to your primary bank account, so you can safely use it, knowing that you can only spend the money you have loaded onto the card. Because it is not a current bank account or a credit card, you will not incur interest charges by going overdrawn, nor will you earn any interest on funds that you have on your GuardianCard.

2.3 Although the vast majority of merchants accept Mastercard, we cannot guarantee that a particular merchant will do so - please check with the merchant before attempting the transaction, if you are unsure. Because GuardianCard is an adult card, designed for use by an older audience, we plan for our system to allow the blocking of certain types of merchants by our guardians and cardholders – more details of these blocked merchants can be found in **Clause 6**.

2.4 To obtain a GuardianCard you will need to sign up for a GuardianCard Account either on our website at www.guardiancard.co.uk or via our mobile app which can be downloaded from the Apple Store or Google Play. You can request a GuardianCard for yourself or for a parent, relative or friend. Your GuardianCard will be sent to the named user through the post. We will only post cards to your, or your parent(s) UK address, the cards must not be posted

outside of the UK. You can apply for a GuardianCard account and card for any number of parents and relatives (**max 5 cards**).

2.5 Once you have received the GuardianCard, you will need to log into your GuardianCard account either on the website or via our mobile app to activate it. If you do not activate your GuardianCard, any transactions that you or your parents/relatives attempt will not be accepted and will be declined. As part of the activation process, a one-off payment of £100 must be made as part of your set-up and from this amount, an initial payment of £65 will be deposited into your GuardianCard account. This very first payment can only be made by a UK registered debit/credit card. After this first payment, you, or your parents/relatives, can arrange regular uploads of funds to your GuardianCard account by standing order from your personal bank account or from your debit/credit card either via the GuardianCard website or using the mobile app. You can also make one-off payments by bank transfer or by your debit/credit card. Once added to your GuardianCard account, the funds can be withdrawn via a cash machine or spent using your GuardianCard, physical or virtual, within the safe spending limits you have set for your account.

3. IDENTIFICATION REQUIRED WHEN SIGNING UP FOR A GUARDIANCARD

3.1 GuardianCard accounts and card(s) are financial service products and we are therefore required by law to obtain, verify and retain certain information about our customers. We use this information to administer your card and the GuardianCard services and to help us identify you and your card in the event that it is lost or stolen. We only keep this information as long as is necessary and for the purposes described. Please see our [Privacy Policy](#) for more information or email privacy@guardiancard.co.uk.

3.2 You must be over the age of 18 years old and a UK resident to have a GuardianCard account and hold physical/virtual cards. In order to do this, we carry out an online identity check as part of the sign-up process and in some cases, we may ask you to provide documentary evidence to support this. This identity check is a legal requirement and is regulated by the FCA (Financial Conduct Authority, UK). Although there will be a record of it on your credit file, it is not a credit check and will have no adverse effect on your credit rating. Please note that as part of this process, your personal information may be disclosed to credit reference and fraud prevention agencies.

3.2.1 Documents we accept as verification of identity and address: UK Passport, full UK Driver's Licence, a current council tax bill or a Bank Statement plus a utility bill dated within the past 3 months.

3.3 GuardianCard Ltd. reports to Paynet, which is regulated by the FCA (Financial Conduct Authority, UK). As such, in order to comply with Anti-Money Laundering legislation, we are required to request additional information regarding our customers' source of funds when certain thresholds are reached. Once your GuardianCard account has received funds in excess of £6,000, we will write to you and ask you for the following information:

- Time at your current address
- Employment status/source of income
- Employer and job title where applicable
- Industry/work environment where applicable
- Household income
- Parents/Relatives savings

Once a credible source of funds has been provided, you will be able to continue using the GuardianCard Account and Card(s). If, however, after a reasonable period, we are not in receipt of this information, we may close your GuardianCard Account and Card(s) and refund any balances to you.

3.4 When you sign up for the GuardianCard services and complete the ID check screen, you are indicating that you consent to the checks described in this agreement being undertaken.

3.5 The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance, or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found in our [privacy policy](#).

4.2 **GuardianCard is a subscription service** and there is a monthly membership fee per account for the GuardianCard Services, which include your account and GuardianCard, (physical and virtual). These fees are chargeable from the date that you activated your account, until such point as the account has been cancelled. You can cancel at any time as outlined in **section 10.3** of this Agreement. The monthly membership fee will be deducted automatically from the available balance on your account.

Please be aware that GuardianCard membership fees are recurring/continuous authority transactions and your monthly membership fees will be debited on the monthly anniversary of the date you activated your account. If the balance available on your account is insufficient to cover the membership fees due, we will take payment using the debit/credit card(s) you have attached to the account and this will be subject to a £0.50 service charge.

Please be aware that should you enter into a free trial subscription period, you will be billed the GuardianCard membership fee in accordance with this section at the expiry of the free trial period.

4.3 To keep the monthly membership fees as low as possible, we pass on the costs of non-standard administration costs we incur managing your account. For full details of all charges and when they apply, please see the 'Fees and Charges' table above.

4.4 Setting up a regular standing order payment ensures that you never have to worry about running out of funds on your GuardianCard accounts and that your parents/relatives always have access to their funds. GuardianCard's automatic top-up feature is automatically enabled when you sign up to GuardianCard, unless you untick the appropriate box. This will automatically top-up your GuardianCard Account with the default top-up amount of £50, using the debit card(s) you have attached to your GuardianCard Account, when:

4.4.1 your account balance falls below the threshold; the default threshold is £20;

4.4.2 there are insufficient funds in the account to pay your membership fees;

4.5 An email will be sent to you each time an auto top-up is invoked with details of the successful top-up to your account (or details of a failed top-up). If you do not want to enable auto top-up, please untick this box during sign up or email us at memberservices@guardiancard.co.uk.

4.6 You can disable auto top-up at any time by accessing your GuardianCard account, going to the 'Topping Up' section and setting the 'Auto Top-up' status to 'OFF'.

4.7 You can also change the default auto top-up amount at any time in the 'Topping Up' area of your account. In future, the same amount will be topped up every time your GuardianCard account balance goes below the set threshold.

4.8 Please remember that auto top-up uses your debit/credit card to top-up your GuardianCard account and that we pass on the costs of additional administrative costs to your account. This means that the service charge for loading the account will be added to the amount topped up. Details of both the top-up amount and the load fee will be shown in your confirmation email.

5. HOW TO USE GUARDIANCARD

5.1 A GuardianCard may only be used by the individual for whom the GuardianCard was ordered. GuardianCards are non-transferable, and you are not permitted to allow any other person to use your card by disclosing the PIN or allowing them to use your GuardianCard to make purchases; should this happen you will be in breach of your contract with GuardianCard. Prior to use, your GuardianCard should be signed by the holder on the signature strip located on the back of the card.

5.2 GuardianCards can also provide virtual (digital) and/or physical cards for relatives and/or carers. As with the main GuardianCard holder, these additional cards are non-transferable and are for use only by the person issued the card. They are not permitted to allow any other person to use the GuardianCard, for example, by disclosing the PIN or allowing them to use the GuardianCard to purchase goods. Prior to use, the physical GuardianCard should be signed by the holder on the signature strip located on the back.

5.3 Our recommendation is that where carer cards are issued a virtual card, which resides on the carer's mobile phone, is issued. You can select a virtual card option on the 'Order a new card function' via the GuardianCard account.

5.4 Virtual cards can be terminated through the GuardianCard account of which the account holder will have access to.

5.5 We are entitled to assume that a transaction has been authorised by you were either:

5.5.1 the GuardianCard was inserted into a chip and PIN device;

5.5.2. the GuardianCard PIN was keyed-in or a sales slip was signed;

5.5.3. relevant information was supplied to the merchant that allows them to process the transaction, for example, providing the merchant with the 3-digit security code on the back of your GuardianCard in the case of an internet or other non face-to-face transaction, or

5.5.4. your GuardianCard is tapped against a Contactless-enabled reader and accepted by such reader.

5.6 Normally, we will receive notification of your authorisation by way of an electronic message in line with the rules and procedures of the Mastercard network. Once you have authorised a transaction, the transaction cannot be stopped or revoked. However, you may in certain circumstances be entitled to a refund in accordance with **clauses 13 and 14**.

5.7 On receipt of your authorisation we will deduct the value of the transaction plus any applicable fees and charges from the available funds on the GuardianCard. This happens electronically and we cannot stop this process; if you or your guardian wishes to cancel a transaction, you must contact the merchant. There are certain rules on how quickly we have to make transactions happen, we have set out these rules below for your information:

5.7.1 Within the European Economic Area (which includes the EU countries as well as Norway, Iceland and Liechtenstein), we will execute any transaction in euros.

5.7.2 Any other transactions within the European Economic Area will be executed no later than 4 business days after we receive instructions to make the payment.

5.7.3 If the payment service provider of the merchant is located outside the European Economic Area, we will execute the transaction as soon as possible.

5.7.4 The instructions to make a payment will be received when we receive them from the merchant's payment service provider, the automated teller machine (ATM) operator. If we receive the instructions on a non-business day, or after 4:30 pm on a business day, they will be deemed received by us on the following business day.

5.8 Transactions are processed as follows:

5.8.1 any GuardianCard transaction in a foreign currency will be converted into pounds (GBP). When the merchant seeks authorisation, we will do this at the rate of exchange provided by Mastercard, plus an additional 3% to cover exchange rate fluctuations between this time and settlement. At settlement, we use the rate of exchange provided by Mastercard without any fees and we refund the authorisation amount. These exchange rates vary throughout the day and these changes can be applied immediately and without notice. Details of the current exchange rates can be found on the [Mastercard website](#). We will show these exchange rates, and how they are applied to each transaction, in your online account history or mobile app. The information in your online account and mobile app relating to your transactions is updated daily.

5.9 If there is not enough money in your GuardianCard account for the transaction you are attempting to make, the transaction will be refused when the merchant seeks authorisation. On rare occasions a merchant may fail to seek authorisation for a transaction, and it may take your account into a negative balance. As long as it is the merchant's fault, and you have not deliberately used the card in a way that results in a negative balance, we will attempt to recover the money from the merchant on your behalf. We will deal with situations like this on a case by case basis, but we may have to restrict or suspend the use of your card until a positive balance is restored or funds are received into the account through the regular loading process or the debit card attached to the GuardianCard account. We will inform you if we suspend the card, unless this is prohibited by law. You must not attempt to spend more than the funds loaded onto the card and if you do so, you must repay any excess immediately. If you fail to do this, we reserve the right to use a debt collection agency and other legal remedies to recover the funds. We also reserve the right to charge you the expenses we reasonably incur in connection with any debt collection or enforcement efforts.

5.10 Any funding of your GuardianCard account via a third party debit/credit card (one that does not belong to you personally) or via bank transfer with the funds coming from extended family or friends should only be facilitated by using the GuardianCard ad hoc loading feature or by inviting any such third party as a relative through the GuardianCard website and mobile app. Please be aware that if you use a 'third party' debit card to load your account, there is a risk that this card will be debited directly for your GuardianCard monthly membership fee. Please also be aware of the 'relative/gifter' limits set forth in **section 4** of this agreement.

5.11 You are able to use your GuardianCard for contactless transactions. You will need to have made at least one Chip & PIN transaction to activate the contactless part of the chip before doing so. Failing to do so will lead to a declined transaction. When using your GuardianCard for contactless transactions, the contactless limit in effect at the time of the transaction will apply without using the PIN. This limit is regulated by Mastercard and may vary from time to time; we will aim to advise you of any changes to the limit via our website.

5.12 Normally, we will be able to support transactions 24 hours per day, 365 days per year, however, we cannot guarantee this will be the case and in certain circumstances – for example, if there is a serious technical problem – we may be unable to receive or complete card transactions or money transfers to your account. To ensure GuardianCards are available at all times we have to have back-ups in place. In the unlikely event that our card processor's systems are unavailable, we have a fallback so that Mastercard can take over processing our card transactions. This ensures that GuardianCards can still be used and there is minimum disruption to the service. This does mean that some of the extra checks we've created for transactions (the rules and limits unique to GuardianCard) would not be working whilst Mastercard takes over the processing in the event of an outage. We have this measure in place as we want to ensure that you can still spend if you need to (e.g. pay for shopping). During any service disruption, there would be a limit of two emergency transactions only until normal service is resumed. If this ever happens, we will communicate with you and your guardian via SMS and push notifications to make sure you are kept up to date. It is possible that transactions made during such an outage will take the account(s) into a negative balance. In these rare cases, if no funds are available in your account, we reserve the right to debit the amount necessary from the card(s) attached to your account.

6. RESTRICTIONS ON THE USE OF GUARDIANCARD

6.1 You must ensure that you have sufficient funds available on your GuardianCard to pay for each purchase, payment or cash withdrawal using the GuardianCard. Any available funds in your GuardianCard account can be spent using the card, within the spending limits you have set.

You can limit how much can be withdrawn, or spent, in a single transaction as well as per week, and you can decide where the Card can be used, nominating one or more of the following:

- On the internet
- On the high street
- At cash machines

These spending limits can be varied at any time by you on the GuardianCard website or using our mobile app.

6.2 The GuardianCard can only be loaded using UK debit/credit cards attached to a UK personal bank account; we do not accept any prepaid cards, Maestro or Visa Electron. Other means of loading including but not limited to corporate payments, foreign direct debits and foreign bank account transfers will also be restricted. The GuardianCard is not linked to a bank deposit account and is not a cheque guarantee card, charge card or credit card, nor may it be used as evidence of identity.

6.3 You must not load the GuardianCard account using any card, bank account or other payment instrument if you are not the named holder of that payment instrument unless the third party has given consent by following the process detailed in **clause 5.7**. We take any breach of this requirement very seriously and will treat any attempt to do so as a fraudulent act. Without prejudice to claiming further damages, if the cardholder disputes the transaction and we are required to return funds loaded from a payment instrument that is not in your name, we may recoup any funds lost and charge a 'Chargeback Administration Fee' per occurrence to you. See the Fees and Charges Table for details of this fee.

6.4 Using the GuardianCard(s), accounts and services for any purpose contrary to laws, statutes or regulations applicable to you, including without limitation those concerning money laundering, fraud, criminal activity, or financial services, is strictly prohibited.

6.5 As the GuardianCard is designed for use amongst chosen representatives by the account holder, we enable administrative restrictions on the card to prevent its use at selected merchants both on the high street and online. This protection is provided by the Mastercard merchant category system. This system relies on merchants listing themselves appropriately which means that the protection offered can be limited. For example, if a bookmaker is categorised as stated, a GuardianCard transaction can be barred. However, if

the bookmaker chooses to list itself as a different merchant category, the transaction cannot be blocked.

6.5.1 GuardianCard can be blocked at merchants that are listed under the following categories:

- Escort services and massage parlours
- High street bookmakers
- Racetracks
- Adult entertainment venues, websites, or TV channels
- Online gaming and casinos

6.6 In addition to the Mastercard merchant category system blocks mentioned above, the guardian controls on the GuardianCard and the mobile notifications will offer an additional level of protection. With the mobile app, guardians receive notifications showing where and when purchases have been made and, by setting the profile panel to suit, can decide where the GuardianCard can be spent. With real-time notification of every transaction, any concerns can be addressed by a simple conversation with your parent/relative. As the legal cardholder, the overall responsibility for use of the card lies with the account holder.

6.7 If you have set transaction limits on your GuardianCard and you attempt to buy something over these limits, the GuardianCard system intercepts the transaction and blocks it.

6.8 Please note that while Mastercard debit cards can be used in cash machines across the world, some countries do not yet use the chip and PIN system on the high street and use the older Magstripe technology instead. As the GuardianCard uses the latest technology, it does not work with the old Magstripe system; the USA is one of these countries where sometimes this is an issue. Mastercard has confirmed that they are working to have all US merchants moved over to Chip and PIN systems in the very near future.

6.9 There are countries that GuardianCard does not work with. These are listed below:
Sanctioned Countries: Afghanistan; Crimea; Cuba; Iran – Islamic Republic of; North Korea; Syria; Venezeula

7. MANAGING THE GUARDIANCARD

7.1 We will send you an instant push notification in your mobile app to let you know that a payment has been made. The push notification will set out a reference to help you identify each transaction; the amount of each transaction; the currency in which your GuardianCard is debited; the amount of any transaction charges including their break down, where applicable; the exchange rate used in the transaction by us and the amount of the transaction after the currency conversion, where applicable; and the date of the transaction.

7.2 We will also send you an email each month to let you know your monthly statement is ready in your online or mobile app account. The monthly statement will set out: a reference to help you identify each transaction; the amount of each transaction; the currency in which your GuardianCard is debited; the amount of any transaction charges including their break down, where applicable; the exchange rate used in the transaction by us and the amount of the transaction after the currency conversion, where applicable; and the date of the transaction. If there are no transactions on the card for more than a month then we will not provide you with a statement.

7.3 We also offer a monthly print statement option at a cost of £1 per statement, this amount will be taken from your account.

7.4 You can also download your monthly statement as a PDF by logging into your account on guardiancard.co.uk and on the GuardianCard app.

7.5 You can check the balance and available funds on your GuardianCard accounts as well as the statement of recent transactions by logging into your account on guardiancard.co.uk or on the GuardianCard mobile app, which will be updated daily. You can also check your balances by contacting our member services team on 01482 739139 or emailing memberservices@guardiancard.co.uk.

7.6 If, for whatever reason, you are not happy with something that has been purchased using your GuardianCard, either online or in a shop (for example, if you buy goods which are faulty, or are not delivered), your contract is with the merchant and the merchant's terms and conditions apply. You must contact the merchant that sold the goods and ask them to replace the items or provide a refund. If you are unable to resolve the issue with the merchant, please contact the member services team on 01482 739139 or emailing memberservices@guardiancard.co.uk and we will endeavour to assist.

7.7 Sometimes people can inadvertently sign up to subscription services such as Amazon Prime, Spotify, Netflix or Microsoft Xbox. These services constitute a Subscription Billing arrangement between the cardholder and the relevant merchant. If you wish to amend or cancel the subscription billing payment or have any query or dispute concerning their subscription billing payment, they may only do this by contacting the merchant directly and the terms and conditions set by the merchant will apply. To stop a subscription billing payment, you must notify us no later than the close of business on the business day prior to the day on which the payment is due to be made. We will not be liable for any subscription billing payment that is deducted from your accounts before you have notified us in this manner. You will not be able to cancel a payment that has already been made to a merchant under these terms.

7.8 If you load funds into your GuardianCard account and then authorise a payment or withdrawal of those funds, you agree that you will not chargeback, cancel, reverse or de-authorise the payment method used to make that load.

7.9 Without limiting our rights or remedies, if you do a chargeback, cancel, reverse or de-authorise a payment in such circumstances, you are responsible for refunding the payment to us. We may, at our discretion, recover the amount by reducing your GuardianCard account balance, re-charging your debit/credit card for the amount or otherwise collecting such amount from you.

8. EXPIRY OF THE GUARDIANCARD

8.1 Your GuardianCard will expire on the expiry date as stated on the card itself. At that point, subject to your account being in good order, fees up to date and the GuardianCard still being actively used, we will issue a new GuardianCard to you in the month prior to the expiry date. We are not obligated to do so and may elect not to issue a replacement GuardianCard at our sole discretion. If we do issue a new GuardianCard, a new expiry date will apply, and the new GuardianCard will expire on that expiry date.

WE WILL NEVER ASK YOU TO SEND AN EXPIRED CARD TO US OR COME AND COLLECT IT AT YOUR HOME.

8.2 In the event of a GuardianCard member passing away the guardian can choose to retain or close the GuardianCard account

8.2.1 Where the GuardianCard account is retained the details of the new card holder, and their regular loading arrangements should be amended on the GuardianCard account.

8.2.2 Where the GuardianCard account is being closed you must contact our member services team on 01482 739139 or by email at memberservices@guardiancard.co.uk.

8.2.3 In the event of a member passing away, 30-days notice and final payment as set out in **clause 10.1** will not be applied.

8.3 The arrangements for the issue of a replacement GuardianCard in accordance with **clause 8.1** above will be communicated to you prior to your GuardianCard expiring. The “cooling off” period described in **Clause 9** will not apply to any replacement card issued by us. If you do not wish to receive a replacement Card, **you may terminate the Agreement as set out in clause 10.3.**

8.4 Although the initial duration of the agreement expires on the expiry date, due to the fact that it is possible for the agreement to be extended, as set out in this **clause 8**, we will treat the agreement as an indefinite agreement for the purposes of payment regulation and will not charge you a redemption fee if you terminate the agreement before the expiry date. Your right to cancel the agreement in **clause 10.2** remains unaffected.

9. COOLING OFF AND REDEMPTION PROCEDURE

9.1 You are entitled to a 14-day “cooling off” period from the date you complete the sign-up process during which you may cancel your GuardianCard account and card(s). Should you wish to cancel your accounts and card(s) and terminate this agreement during the “cooling off” period, you can do so in accordance with **Clause 10.3** of this agreement. You will be asked to destroy all of the card(s) issued to you.

If you have used any of the cards, you will not be entitled to a refund of any funds that have been spent, including any associated fees, but we will refund you free of charge any unspent available funds. We will process the refund as quickly as we can once the cancellation is complete. We are required to allow 5 days for any outstanding purchases made on the GuardianCards to arrive before we process the refund; most high street banks then take a further 2-3 working days before they show the refund in your personal bank account. For that reason, we ask you to allow 8-10 working days for the refund to show in your personal bank account.

9.2 Following the end of the “cooling off” period, you may terminate this agreement in accordance with **Clause 10.3** and redeem all of the available funds on the card free of charge. You may also redeem all of the available funds upon the expiry date free of charge if the agreement is being terminated. Before any termination of the agreement and during your agreement with us you may redeem some or all of the available funds by contacting the GuardianCard member services team on 01482 739139 or by email at memberservices@guardiancard.co.uk, in which case you will be charged a bank transfer fee in accordance with **clause 4**.

9.3 Upon termination, we will process the refund of any remaining balance as quickly as we can once the cancellation is complete. We are required to allow 5 days for any outstanding purchases made on the GuardianCards to arrive before we process the refund and most

high street banks then take a further 2-3 working days before they show the refund in your personal bank account. For that reason, we ask you to allow 8-10 working days for the refund to show in your personal bank account. We recommend that if you require the funds more swiftly you withdraw these via an ATM.

9.4 Wherever possible, we will refund any remaining funds to the debit card used to load your GuardianCard Account. Where payments have been made by bank transfer or standing order, your money will be refunded using the bank details we hold for you. We will not complete your redemption request if we believe you have provided false information, if we are concerned about the security of a transaction or if your GuardianCard accounts or card(s) are not in good standing.

9.5 If you request redemption of the entire remaining balance of your accounts, we will assume that it is your intention to terminate this agreement and will cancel your GuardianCard accounts and card(s).

9.6 If for any reason you have some available funds left following the termination of the agreement, you may redeem them in full up to 3 years following the termination. After 12 months following expiry, you will be charged a redemption fee as shown in the Fees and Charges table in **clause 4** when you redeem your funds.

9.7 If upon cancellation or termination the balance on your accounts is less than £5.00, we will request permission to donate these funds to one of our chosen charities. If you do not wish to do so, we will happily process the refund of available funds back to you free of charge.

9.8 If you wish to cancel after ordering the GuardianCard but have not yet activated the card, please simply advise us that you wish to cancel the account by email memberservices@guardiancard.co.uk from your registered email address for this account and destroy the card without activating it. We will cancel your account and no charge will be made by GuardianCard for the order of the card.

10. TERMINATION OF THIS AGREEMENT

10.1 Subject to **clauses 10.2 and 10.3**, this agreement will terminate on the expiry date subject to:

10.1.1 a replacement GuardianCard being issued to you on or before the expiry date on your GuardianCard; or

10.1.2 a request for cancellation by you and/or redemption by you of the entire remaining balance on your account(s) and card(s). There are no cancellation fees, but there is a 30-day notice period during which our final monthly fee will be charged. Redemption fees may apply as described in **clause 9.6**.

10.2 We may terminate this agreement and inform you of the termination immediately unless prohibited by law:

10.2.1 if you breach an important part of this agreement, or repeatedly breach the agreement and fail to resolve the matter within 10 days, or use your GuardianCard(s) or any of its facilities in a manner that we believe is fraudulent or unlawful;

10.2.2 if you act in a manner that is threatening or abusive to our staff, or any of our representatives, or

10.2.3 if you fail to pay fees or charges that you have incurred or fail to put right any shortfall on the balance of your GuardianCard(s).

We may terminate the agreement for no or any reason, including the reasons above, by giving you two months' notice.

10.3 You may terminate the Agreement at any time by contacting our Member Services team (who'll be very sad to lose you from our GuardianCard family, but very happy to help) on 01482 739139 or help@guardiancard.co.uk. Please see clause 10.1 for the notice period. You can also follow the steps outlined in our "How do I close my GuardianCard Account FAQs".

10.4 If the agreement terminates, we will cancel your GuardianCard(s) and you must tell us as soon as practicable what you want us to do with any unused/unspent available funds on your GuardianCard Accounts and Card(s). As in **clause 9.6**, you may redeem them in full up to 3 years; following this time GuardianCard will donate these funds to one of our chosen charities.

11. KEEPING YOUR GUARDIANCARD AND DETAILS SAFE

11.1 We will assume that all transactions entered into by you with your GuardianCard, or GuardianCard details are made by you unless you notify us otherwise in accordance with **clause 14.1**.

11.2 You are responsible for keeping your GuardianCard, PIN and its details safe at all times. This means you must take all reasonable steps to avoid the loss, theft or misuse of the GuardianCard or details. Do not disclose the GuardianCard details to anyone except where necessary to complete a transaction. You and your guardian should be happy that the merchant or service provider is genuine and has taken adequate steps to safeguard your information before proceeding with the transaction and supplying them with the physical GuardianCard or details. Failure to comply with this may be treated as gross negligence and may affect your ability to claim any losses.

NEVER COMMUNICATE YOUR PIN TO ANYONE IN WRITING OR OTHERWISE. This includes printed messages, emails and online forms.

11.3 When you activate your card via the GuardianCard website or our mobile app, the PIN will appear on screen. Later on, if you need to check the PIN, you or your guardian can view it by logging into your GuardianCard Account. **We do not send the PIN through the post.** You may wish to change the PIN number to something more memorable and can do this at any cash machine. The PIN number will be required whenever the card is used to withdraw cash or to make purchases on the high street (unless contactless). Although the GuardianCard can be used by yourself, and via family and carer cards, you are legally responsible for the use and safekeeping of your card. It is important that all cardholders understand that they must look after their card at all times and keep it secure and that the PIN number must be kept safe and not shared or given to anyone.

Some useful tips to share with your family and carers might include:

- Memorising the PIN and making sure no other party has access to it
- Never write the PIN down anywhere
- Not disclosing your PIN to any person
- Shielding your PIN when at a cash machine

12. LOST, STOLEN OR DAMAGED GUARDIANCARD

12.1 If your GuardianCard is lost or stolen, or you think somebody may be using it without your permission, you should block the GuardianCard on the website or mobile app via your account, or you can contact us immediately on 01482 739139 to prevent fraudulent use of the card. We will put a stop on the card so that it can't be used again and will then issue you with another card with completely new details. If you find your card after reporting it lost or stolen, you must destroy it by cutting it in half through the magnetic strip.

12.2 If the card is damaged, please let us know by contacting GuardianCard Member Services and we will cancel this and issue you with a new one.

12.3 If we have to issue you with a new card before the old one has expired, we will charge a card replacement fee as shown in the Fees and Charges Table. The "cooling off" period described in **clause 9** does not apply to replacement GuardianCards.

13. PURCHASES FROM MERCHANTS

13.1 We are not responsible for the safety, legality, quality or any other aspect of the goods and services purchased with GuardianCard.

13.2 Where a merchant provides a refund for any reason, it can take several days for the notification of the refund and for the money itself to reach us. As such, please allow 5-10 working days from the date the refund was carried out for the refund to be applied to your GuardianCard.

14. TRANSACTION DISPUTES AND CARD SUSPENSION

14.1 If you believe you did not authorise a transaction or that a transaction was incorrectly carried out, in order to get a refund you must contact our member services team to report the disputed transaction without undue delay - as soon as you notice the problem, and in any case no later than 12 months after the amount of the transaction has been deducted from your GuardianCard. We will, as soon as possible, and in any event no later than the end of the business day after we become aware of the unauthorised transaction, refund any unauthorised transaction and any associated transaction fees and charges payable under this agreement subject to the rest of this **clause 14**, except in cases where we have a

reasonable suspicion that you have acted fraudulently and we notify the police or other relevant authority as permitted by law. We will then conduct an investigation as quickly as possible and notify you of the outcome. If the investigation shows that the transaction was indeed unauthorised, we will refund you as set out above in this clause.

14.2 If a transaction initiated by a merchant (for example, this happens when you use your GuardianCard in a shop and generally all of your transactions will be initiated by a merchant) has been incorrectly executed and we receive proof from the merchant's payment service provider (e.g. the merchant's bank) that we are liable for the incorrectly executed transaction, we will refund as appropriate and immediately the transaction and any associated transaction fees and charges payable under this agreement. We are not liable for any incorrectly executed transactions if we can show that the payment was actually received by the merchant's payment service provider, in which case they will be liable.

We execute transactions in accordance with the transaction detail received. Where the detail was provided to us by you (although this should not happen often as usually transaction detail is provided by the merchant) and it was incorrect, we will not be liable for incorrectly executing the transaction, but we will make reasonable efforts to recover the funds involved. In such a case we may charge you a reasonable fee to cover our administration costs, of which we will notify you in advance.

14.3 If you receive a late payment from another payment service provider (e.g. a refund from a merchant's bank) via us, we will credit your account with the relevant amount of any associated fees and charges so that you will not be at a loss and it will be as if the payment was not late.

14.4 Subject to the rest of this **clause 14**, we will limit your liability to £35 for any losses incurred in respect of unauthorised transactions arising from the use of your lost or stolen GuardianCard, or the misappropriation of the card's details, except where:

14.4.1 the loss, theft or misappropriation of the card was not detectable by you (e.g. if someone used your GuardianCard online) before the unauthorised transaction took place (unless you acted fraudulently, in which case you are liable for all losses incurred in respect of the unauthorised transaction), or

14.4.2 the loss was caused by acts or omissions of one of our employees or agents, in which case you are not liable for any losses.

14.5 You will be liable for all losses incurred in respect of an unauthorised transaction if you or your family cardholders:

14.5.1 have acted fraudulently; or

14.5.2 have intentionally or with gross negligence failed to:

14.5.2.1 look after and use your GuardianCard in accordance with the Agreement; or

14.5.2.2 notify us of the problem in accordance with **Clause 12.1**

14.6 Except where you have acted fraudulently, you will not be liable for any losses incurred in respect of an unauthorised transaction:

14.6.1 which arises after your notification to us;

14.6.2 where you have used the GuardianCard in a distance contract, for example, for an online purchase;

14.6.3 where we have failed to provide you with the appropriate means of notification, as found in **clause 12.1**;

14.7 Our member services team may require you to complete a dispute declaration form and we may conduct an investigation either before or after any refund has been made. We will let you know as soon as possible the outcome of any such investigation. If our investigations show that any disputed transaction was authorised by you or you may have

acted fraudulently or with gross negligence, we may reverse any refund made and you will be liable for all losses we suffer in connection with the transaction including, but not limited to, the cost of any investigation carried out by us in relation to the transaction. We will give you reasonable notice of any reverse refund.

14.8 In certain circumstances, a transaction will be initiated but not fully completed. Where this happens, this may result in the value of the transaction being deducted from the GuardianCard balance and therefore unavailable for use. We refer to this as a “hanging authorisation” or “block”. In these cases, you will need to contact our member services team and present relevant evidence to show that the transaction has been cancelled or reversed.

14.9 We may, at our discretion, refuse to complete a transaction that you have authorised, in any of the following circumstances and without notice:

14.9.1 if we are concerned about the security of your GuardianCard or we suspect your GuardianCard is being used in a fraudulent or suspicious manner;

14.9.2 if there are not sufficient available funds to cover the transaction and all associated fees at the time that we receive notification of the transaction;

14.9.3 if there is an outstanding shortfall on the balance of your GuardianCard;

14.9.4 if we have reasonable grounds to believe you are acting in breach of this agreement;

14.9.5 if there are errors, failures (mechanical or otherwise) or refusals by merchants, payments processors or payment schemes processing transactions, or

14.9.6 if we are required to do so by law.

14.10 Unless it would be unlawful for us to do so, where we refuse to complete a transaction for you in accordance with **Clause 14.9**, we will notify you as soon as reasonably practicable of the refusal and the reasons for the refusal, together, where relevant, with the procedure for correcting any factual errors that led to the refusal.

14.11 We may suspend your GuardianCard, in which case you will not be able to use it for any transactions if we have reasonable concerns about the security of the Card or we suspect that your card is being used in a fraudulent or unauthorised manner. We will notify you of any such suspension in advance, or immediately after if this is not possible, and also of the reasons for the suspension, unless to do so would compromise reasonable security measures or otherwise be unlawful. We will lift the suspension and, where appropriate, issue a new GuardianCard free of charge as soon as practicable once the reasons for the suspension cease to exist.

14.12 You may also be entitled to claim a refund for a transaction that you authorised provided that:

14.12.1 the authorisation did not specify the exact amount when you consented to the transaction; and

14.12.2 the amount of the transaction exceeded the amount that you could reasonably have expected it to be (taking into account your previous spending pattern on the GuardianCard, the agreement and the circumstances of this case).

Such a refund must be requested from our GuardianCard member services team within 8 weeks of the amount being deducted from the GuardianCard. We may require you to provide us with evidence to substantiate your claim. Any refund or justification for refusing a refund will be provided within 10 business days of receiving your refund request, or where applicable, within 10 business days of receiving any further evidence requested by us. The refund shall be equal to the amount of the transaction. Any such refund will not be subject to any relevant fees.

If we need to contact you in the event of suspected or actual fraud or security threats that we might notice on your GuardianCard account(s) or card, we will first send you an SMS prompting you to contact our member services team. We will not call you directly in such cases, so if you receive a call from anyone telling you that they are calling you because they suspect that your GuardianCard accounts or card(s) have been used by someone else, for example, please make sure that you do not speak to them but instead call us straight away on 01482 739139, as these could be fraudsters.

16. LIMITATION OF LIABILITY

16.1 GuardianCard Ltd. will not be liable (legally and financially responsible) for:

16.1.1 any fault or failure relating to the use of the GuardianCard accounts or card(s) that is a result of abnormal and unforeseeable circumstances beyond our control which would have been unavoidable despite all our efforts to the contrary, including but not limited to, a fault in or a failure of data processing systems;

16.1.2 the goods or services that you purchase with your GuardianCard(s);

16.1.3 any loss of profits, loss of business, or any indirect, consequential, special or punitive losses arising from your use or your inability to use the GuardianCard account(s) or card(s); or

16.1.4 a merchant refusing to honour a transaction or refusing a payment;

16.1.5 any acts or omissions that are a consequence of our compliance with any national or European Union law.

In any event, the liability of GuardianCard Ltd. will be limited to the balance of the GuardianCard at the time that the event(s) occur.

16.2 In addition to the circumstances in **Clause 16.1**, our liability shall be limited as follows:

16.2.1 where your GuardianCard is faulty due to an issue with GuardianCard, our liability shall be limited to the replacement of the GuardianCard or, at our choice, repayment to you of the available funds on your GuardianCard; or

16.2.2 where sums are incorrectly deducted from your GuardianCard due to our fault, our liability shall be limited to payment to you of an equivalent amount.

16.3 In all other circumstances of our default, our liability will be limited to repayment of the amount of any available funds on the card.

16.4 Nothing in this agreement shall exclude or limit any regulatory responsibilities we have which we are not permitted to exclude or limit, or our liability for death or personal injury.

16.5 If you have used your GuardianCard or allowed your card to be used fraudulently, in a manner that does not comply with this agreement, for illegal purposes, or if you have allowed your card or details to be compromised due to your gross negligence, you will be held responsible for the use and misuse of the card. We will take all reasonable and necessary steps to recover any loss from you, and there shall be no maximum limit to your liability except where relevant laws or regulations impose such a limit. This means you should take care of your card and details and act responsibly, or you will be held liable.

16.6 We take the security of your money very seriously. Your funds are held by our issuing bank, Payrnet, in a secure client account specifically for the purpose of redeeming transactions made via your GuardianCard. This means that in the unlikely event of the insolvency of either GuardianCard Ltd or our banking partner, funds in this client account will be protected against claims by creditors. "Please note that the UK Deposit Guarantee Scheme does not apply to your funds as they are not deposits". By using your GuardianCard and by entering into this agreement you are indicating that you understand and accept these risks. We will be happy to talk through any questions or concerns you might have. Please contact our member services team for further information.

If you do not accept the change, you may end this agreement immediately and free of charge before the expiry of the two-month notice.

18.3 There may be times when we will have to change this agreement without notice or with notice shorter than two months but this would happen in a very limited number of cases and only for legal, regulatory or security reasons, or to enable the proper delivery of the card scheme. If this is the case, we will notify you of such changes with as much notice as possible, or as soon as possible after the change has taken effect if advance notice is not possible. Your right under **clause 10.3** to terminate the agreement at any time free of charge would not be affected.

19. LAW AND COURTS

6. ISSUING ELECTRONIC MONEY TO YOU

- 6.1. Where we receive money from you or on your behalf, this money will be held by us in the relevant Safeguarded Account in exchange for the issuance by us to you of Electronic Money. Your funds will not be used by us for any other purpose and in the unlikely event that we become insolvent, your e-money is protected in an EEA-authorized credit institution or the Bank of England.
- 6.2. When we issue you with Electronic Money, us holding the funds corresponding to the Electronic Money is not the same as a Bank holding your money in that (i) we cannot and will not use the funds to invest or lend to other persons or entities; (ii) the Electronic Money will not accrue interest and (iii) the Electronic Money is not a deposit and is therefore not covered by the Financial Services Compensation Scheme but it is held by us and protected in the relevant Safeguarded Account.
- 6.3. You may hold Electronic Money and we may hold funds corresponding to your Electronic Money indefinitely. However, if we hold Electronic Money for you for more than two years *without* any activity on the account, we shall use reasonable endeavours to contact you to redeem the Electronic Money and return the corresponding funds to you. If we are unable to contact you, we may redeem the

Electronic Money and send the corresponding funds, less any of our costs incurred, to the last known bank account we have on file for you.

- 6.4. We accept no responsibility in the event that you send money to the incorrect account.
- 6.5. We do not accept cash or cheques. We accept monies via a variety of methods of electronic funds transfer to our bank account, the details of which we shall provide to you upon request.

7. GENERAL LIMITATION OF LIABILITY

- 7.1. Where we and another person (such as a payment services provider) are liable to you in respect of the same matter or item, you agree that our liability to you will not be increased by any limitation of liability you have agreed with that other person or because of your inability to recover from that other person beyond what our liability would have been had no such limitation been agreed and/or if that other person had paid his or its share.
- 7.2. Where any loss, liability, cost or expense (a “**Loss**”) is suffered by you for which we would otherwise be jointly and severally or jointly liable with any third party or third parties, the extent to which such Loss shall be recoverable by you from us (as opposed to any third parties) shall be limited so as to be in proportion to the aggregate of our contribution to the overall fault for such Loss, as agreed between all of the relevant parties or, in the absence of agreement, as determined by a court of competent jurisdiction. For the purposes of assessing the contribution to the Loss in question of any third party for the purposes of this clause, no account shall be taken of any limit imposed or agreed on the amount of liability of such third party by any agreement (including any settlement agreement) made before or after such Loss occurred or was otherwise incurred.
- 7.3. Nothing in this Agreement limits or excludes our liability for death or personal injury caused by our negligence or for any damage or liability incurred by you as a result of fraud or fraudulent misrepresentation by us or to the extent that the liability may not be excluded or limited by any applicable law.
